Enjoy Recreational Vehicle Living To its Fullest!
The all-new Sun Sport by Gulf Stream - it's all you'd ever dream of or need in a luxury Class A motorhome - for LESS! With a unique blend of wide-body interior spaciouls combined with generous pass-through basement storage, beautifully hand-crafted oak cabinetry, ducted roof air and stunning slide-out floorplans, the new Sun Sport is the most value-packed Class A on the market!

Sun Sport
BY GULF STREAM®

With an all-new interior design that features nearly seven feet of interior headroom, residential size cabinetry, and upgraded designer furniture, the Sun Sport is a hit with discriminating buyers.

The new dash/cockpit area features a large overhead color television and the oversize windshield offers the driver and passenger a panoramic view of the road.

The open bath concept in this Sun Sport model features a large, residential style shower, large sink base with built-in hamper, a mirrored medicine cabinet and more! The bedroom of the Sun Sport offers large wardrobe and overhead storage cabinetry, convenient night stands and a queen size walk-around bed.

This private bathroom, spacious mirrored wardrobe storage with deep drawers underneath are just some of the highlights of this floorplan.
This unique double slide-out floorplan offers slide-outs on both sides of the coach for one of the most spacious motorhome interiors ever realized. For an added touch of class, choose the optional oak plank flooring in the kitchen area and the raised panel oak inserts on the refrigerator doors.

With upgraded designer fabrics and durable carpeting, the Sun Sport interior is sure to please.

**Value-Packed LUXURY**

It's attention to detail like this handy silverware drawer that wraps around the kitchen sink that makes the Sun Sport stand out from the crowd.

You'll appreciate the Sun Sport's new roomy one-piece shower enclosure, available in most models. As always, Gulf Stream puts a skylight above the shower to allow more natural light in.

There's added storage space under this "flip-sofa", which easily makes into a bed when you're looking for more sleeping space.
Sun Sport’s "cradle of strength" construction begins with a combination of strong, I-beam steel and tubular steel trusses. This forms one of the strongest foundations ever realized in a coach of this size.

You’ll enjoy the versatility afforded by this optional exterior entertainment center featuring an AM/FM cassette stereo, speakers, electrical recept, cable TV jack, phone jack and more.

When you choose the exterior paint mask option, you’ll automatically receive this custom, monogrammed protective cover that easily snaps on and off the front cap, providing additional protection.
