

CONQUEST CLASS C

Shoppers Guide and Checklist

We've built over 65,000 motor homes over the past 35 years, and each one benefits from our commitment to quality, value, and innovation. Our real-world experience, combined with the priceless input of our customers and dealers, has enabled us to perfect the art and science of motor home construction. Just compare this long list of Conquest Class C construction, feature, and function advantages to comparably-priced units from any other manufacturer, and you'll see why we've been a motor home leader for two generations.

Conquest Construction Advantages

- **“Cradle of Strength®” Construction** with steel box trusses, steel stringers, and cross-frame welds for strength, resilience, stability, and reliable road manners
- **Heavy-Gauge Tubular Steel Floor Frame**
- **Galvanized Steel Subfloor** laminated to steel floor framing
- **Galvanized Steel Storage and Holding Compartments** lined with all-weather carpet to provide extra protection for cargo
- **Fiberglass Front Cap** for easier maintenance, better looks
- **High-Gloss Gel-Coat Exterior Fiberglass**
- **Vacuum-Bonded Laminated Walls** with welded square-tube aluminum frame, rigid EPS insulation, and high-heat-resistant urethane adhesives
- **Azdel Synthetic Substrate** in laminated walls to provide structural layer that won't rot, mildew, absorb water, or delaminate; insulates better yet weighs half as much as plywood, has no odor, and no Formaldehyde
- **Slide-Outs with Laminated Walls and Roof** to make slide-outs lighter, more stable, and rigid
- **Aluminum Roof Trusses** 16" on center and 3/8" decking for walkable roof
- **R15 Insulation in Ceiling** with 1" EPS rigid foam and 3" fiberglass batts.
- **7,500 lb. Trailer Hitch** attached with hydraulically installed vibration-proof Huckbolts®
- **High-Capacity Fresh, Black & Grey Tanks**
- **Foil-Backed, Rigid Foam Insulated Air Conditioning Ducts** in 'attic' with H-shaped duct runs for quick, even cooling
- **Electrical Chase in Roof Truss** to make it easy to add additional wiring runs
- **Light, Strong, Super-Safe Laminated Deck** for cab-over bunk
- **2-Year/24,000 mile Structure and Component Warranty**
